TCN
TCN VENDING MACHINE

Smart fridge

Visual weighing technology, open the door to pick up goods, intelligent vending machine

TCN
AI intelligent retail cabinet

Visual weighing technology self-service vending machine

Less space-occupying, wider range or products, lower risk, more convenient operation.

Easy operation management
Integrated online and offline monitoring

AI intelligent certifated system
recognition rate up to 99%

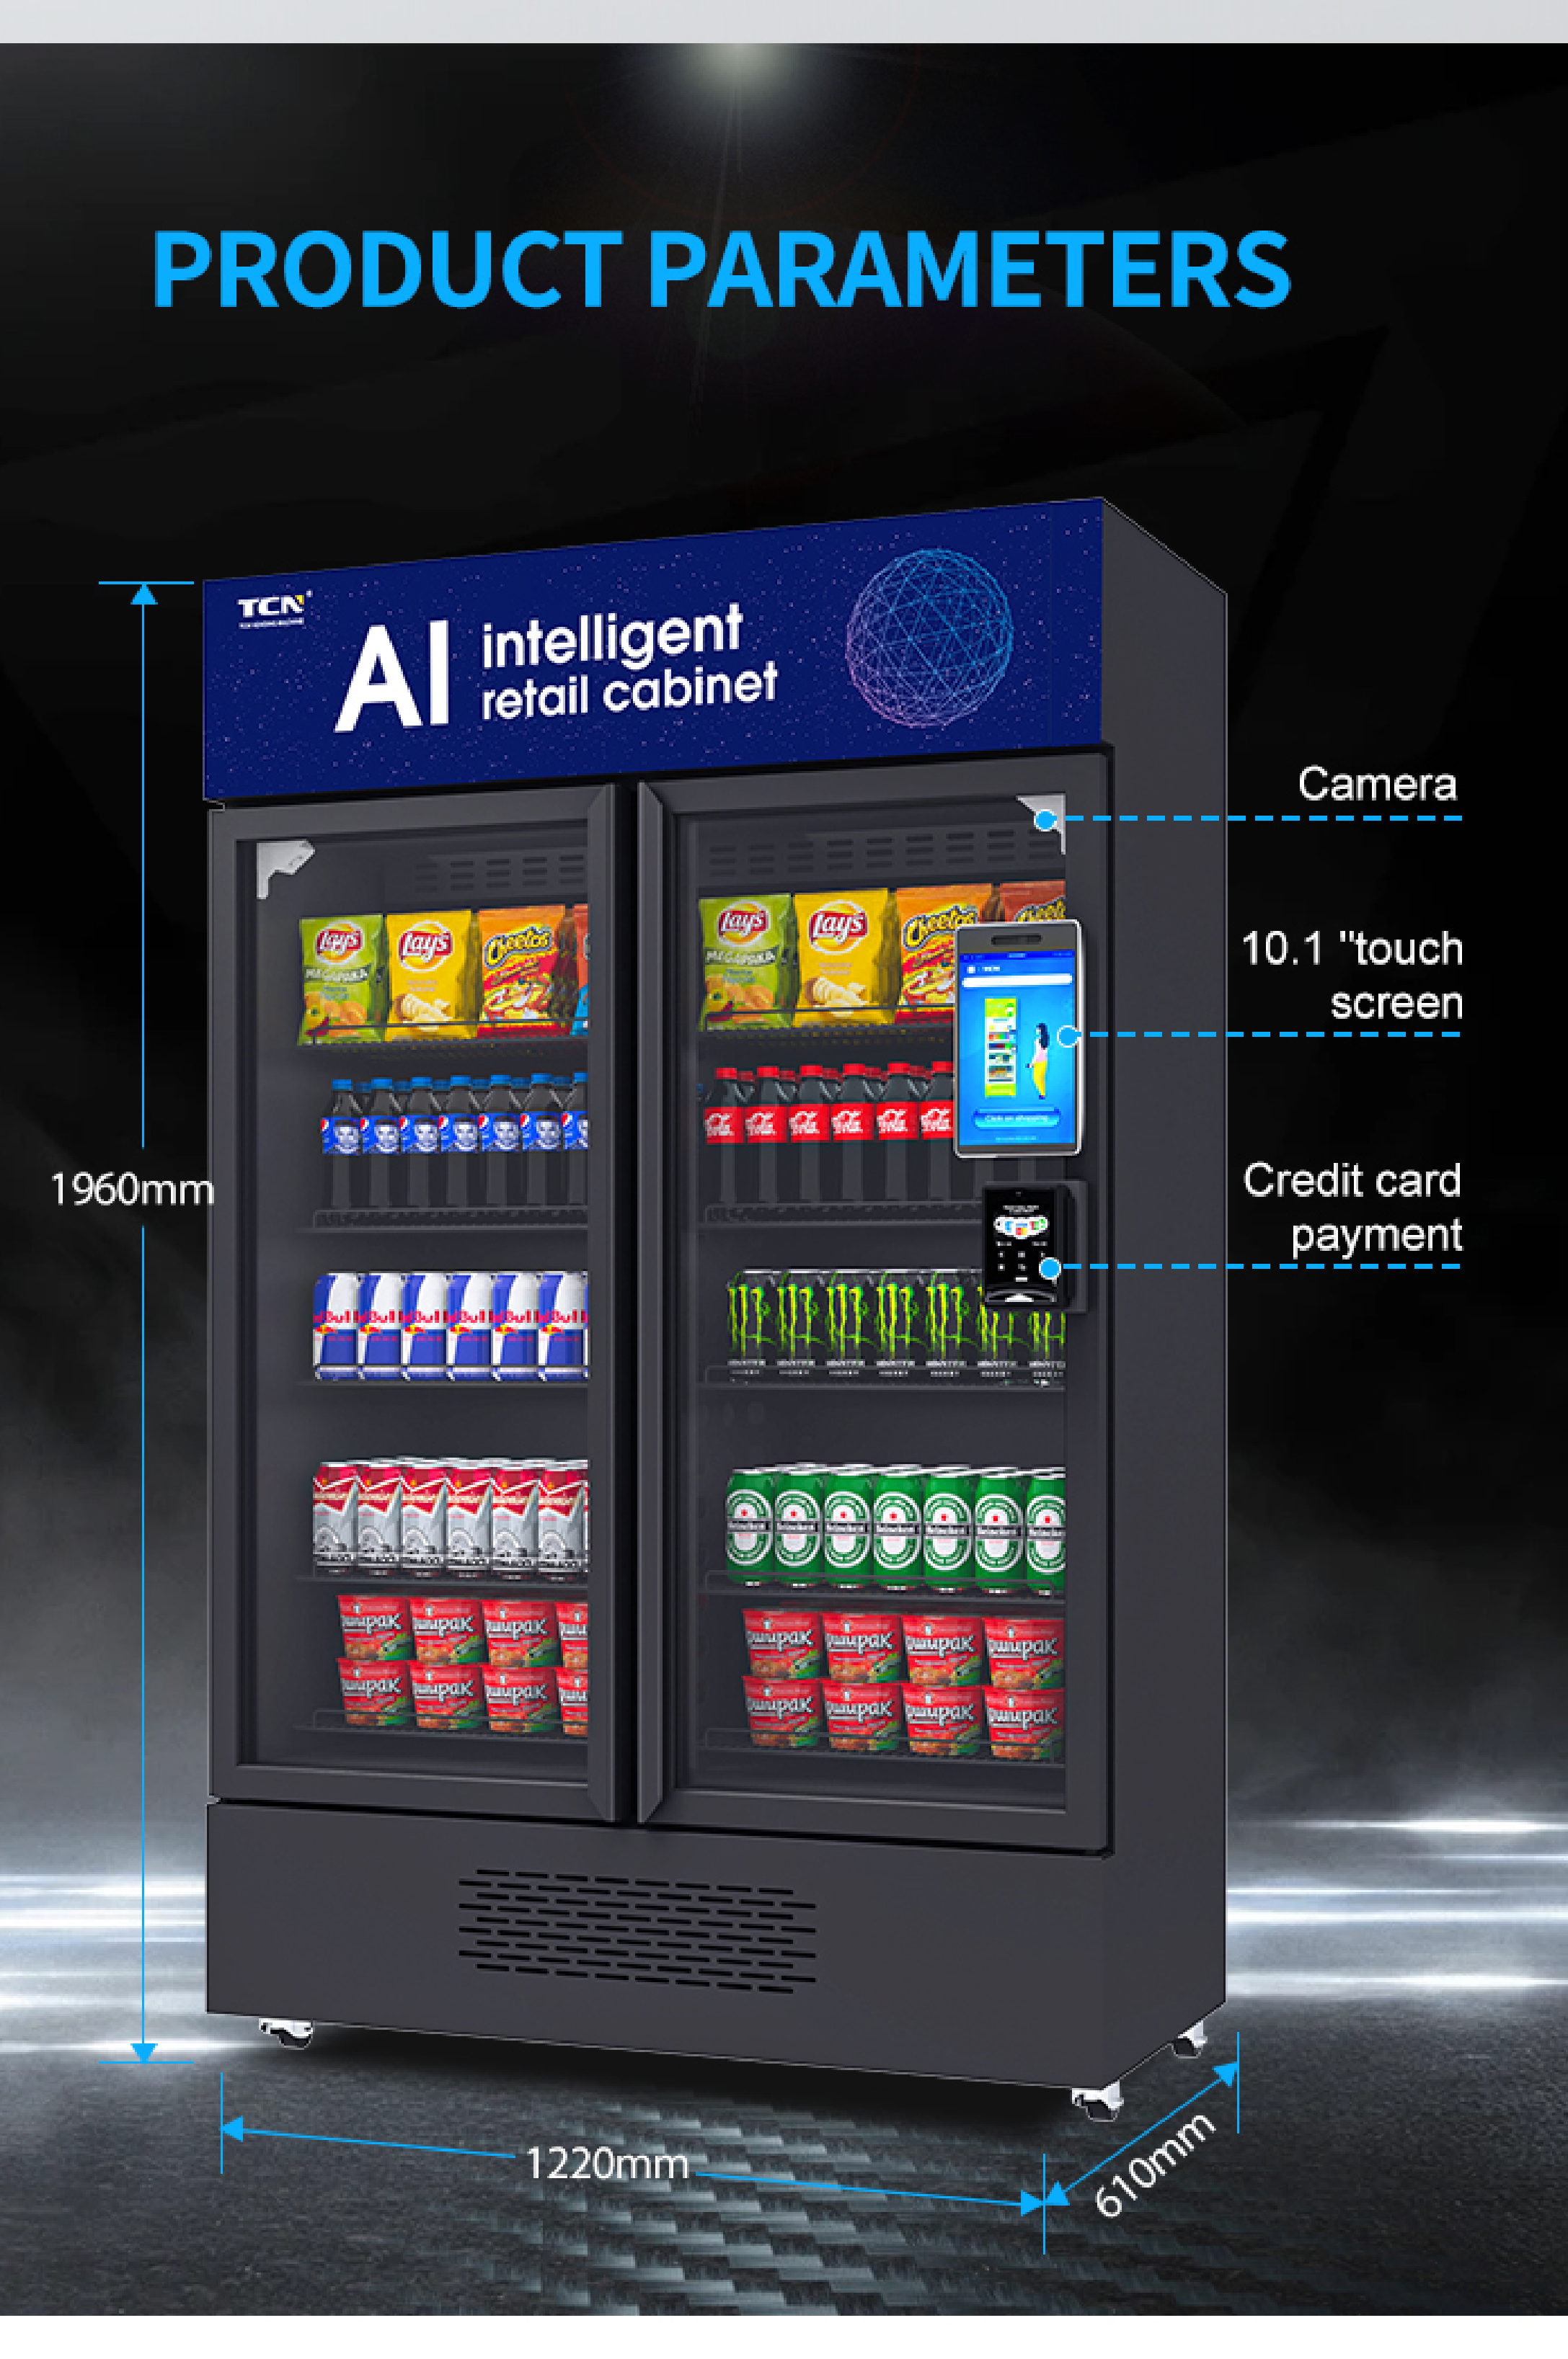
All kinds of goods
Compatible with a variety of products

Low cost and risk
with real-time monitoring of cloud platform, saving human resource

Funds arrive in real time
AI face-scan pay / card payment functions to open the door, safe and fast.

Convenient
Convenient replenishment with adjustable trays.

PRODUCT PARAMETERS



AI intelligent retail cabinet
Camera
10.1 "touch screen
Credit card payment
1960mm
1220mm
610mm

Type	TCN-CFZ-780（V10）
Dimension	H:1960mm W:1220mm D:610mm
Weight	160KGS
Voltage	AC220V~240V 50HZ
Recognition	Visual weighing technology
Temperature	0℃~10℃
Optional(Outdoor)	4℃~25℃ (Heating module)
Refrigeration	Frost-free cooling system
Capacity	780L
Shelf	5 grid trays
Payment	AI face-scan pay / card payment functions
Shopping	Wide-angle low illumination 1080p dual camera to monitor the process of shopping
Management system	Intelligent SAAS cloud management platform

360°air cooling circulation Frost-free refrigeration to save energy Keep the machine dry and clean

AI intelligent retail cabinet
360°
360°

High-end AI technology

Benefit from artificial intelligence chips with which we can reach a recognition rate of 99%

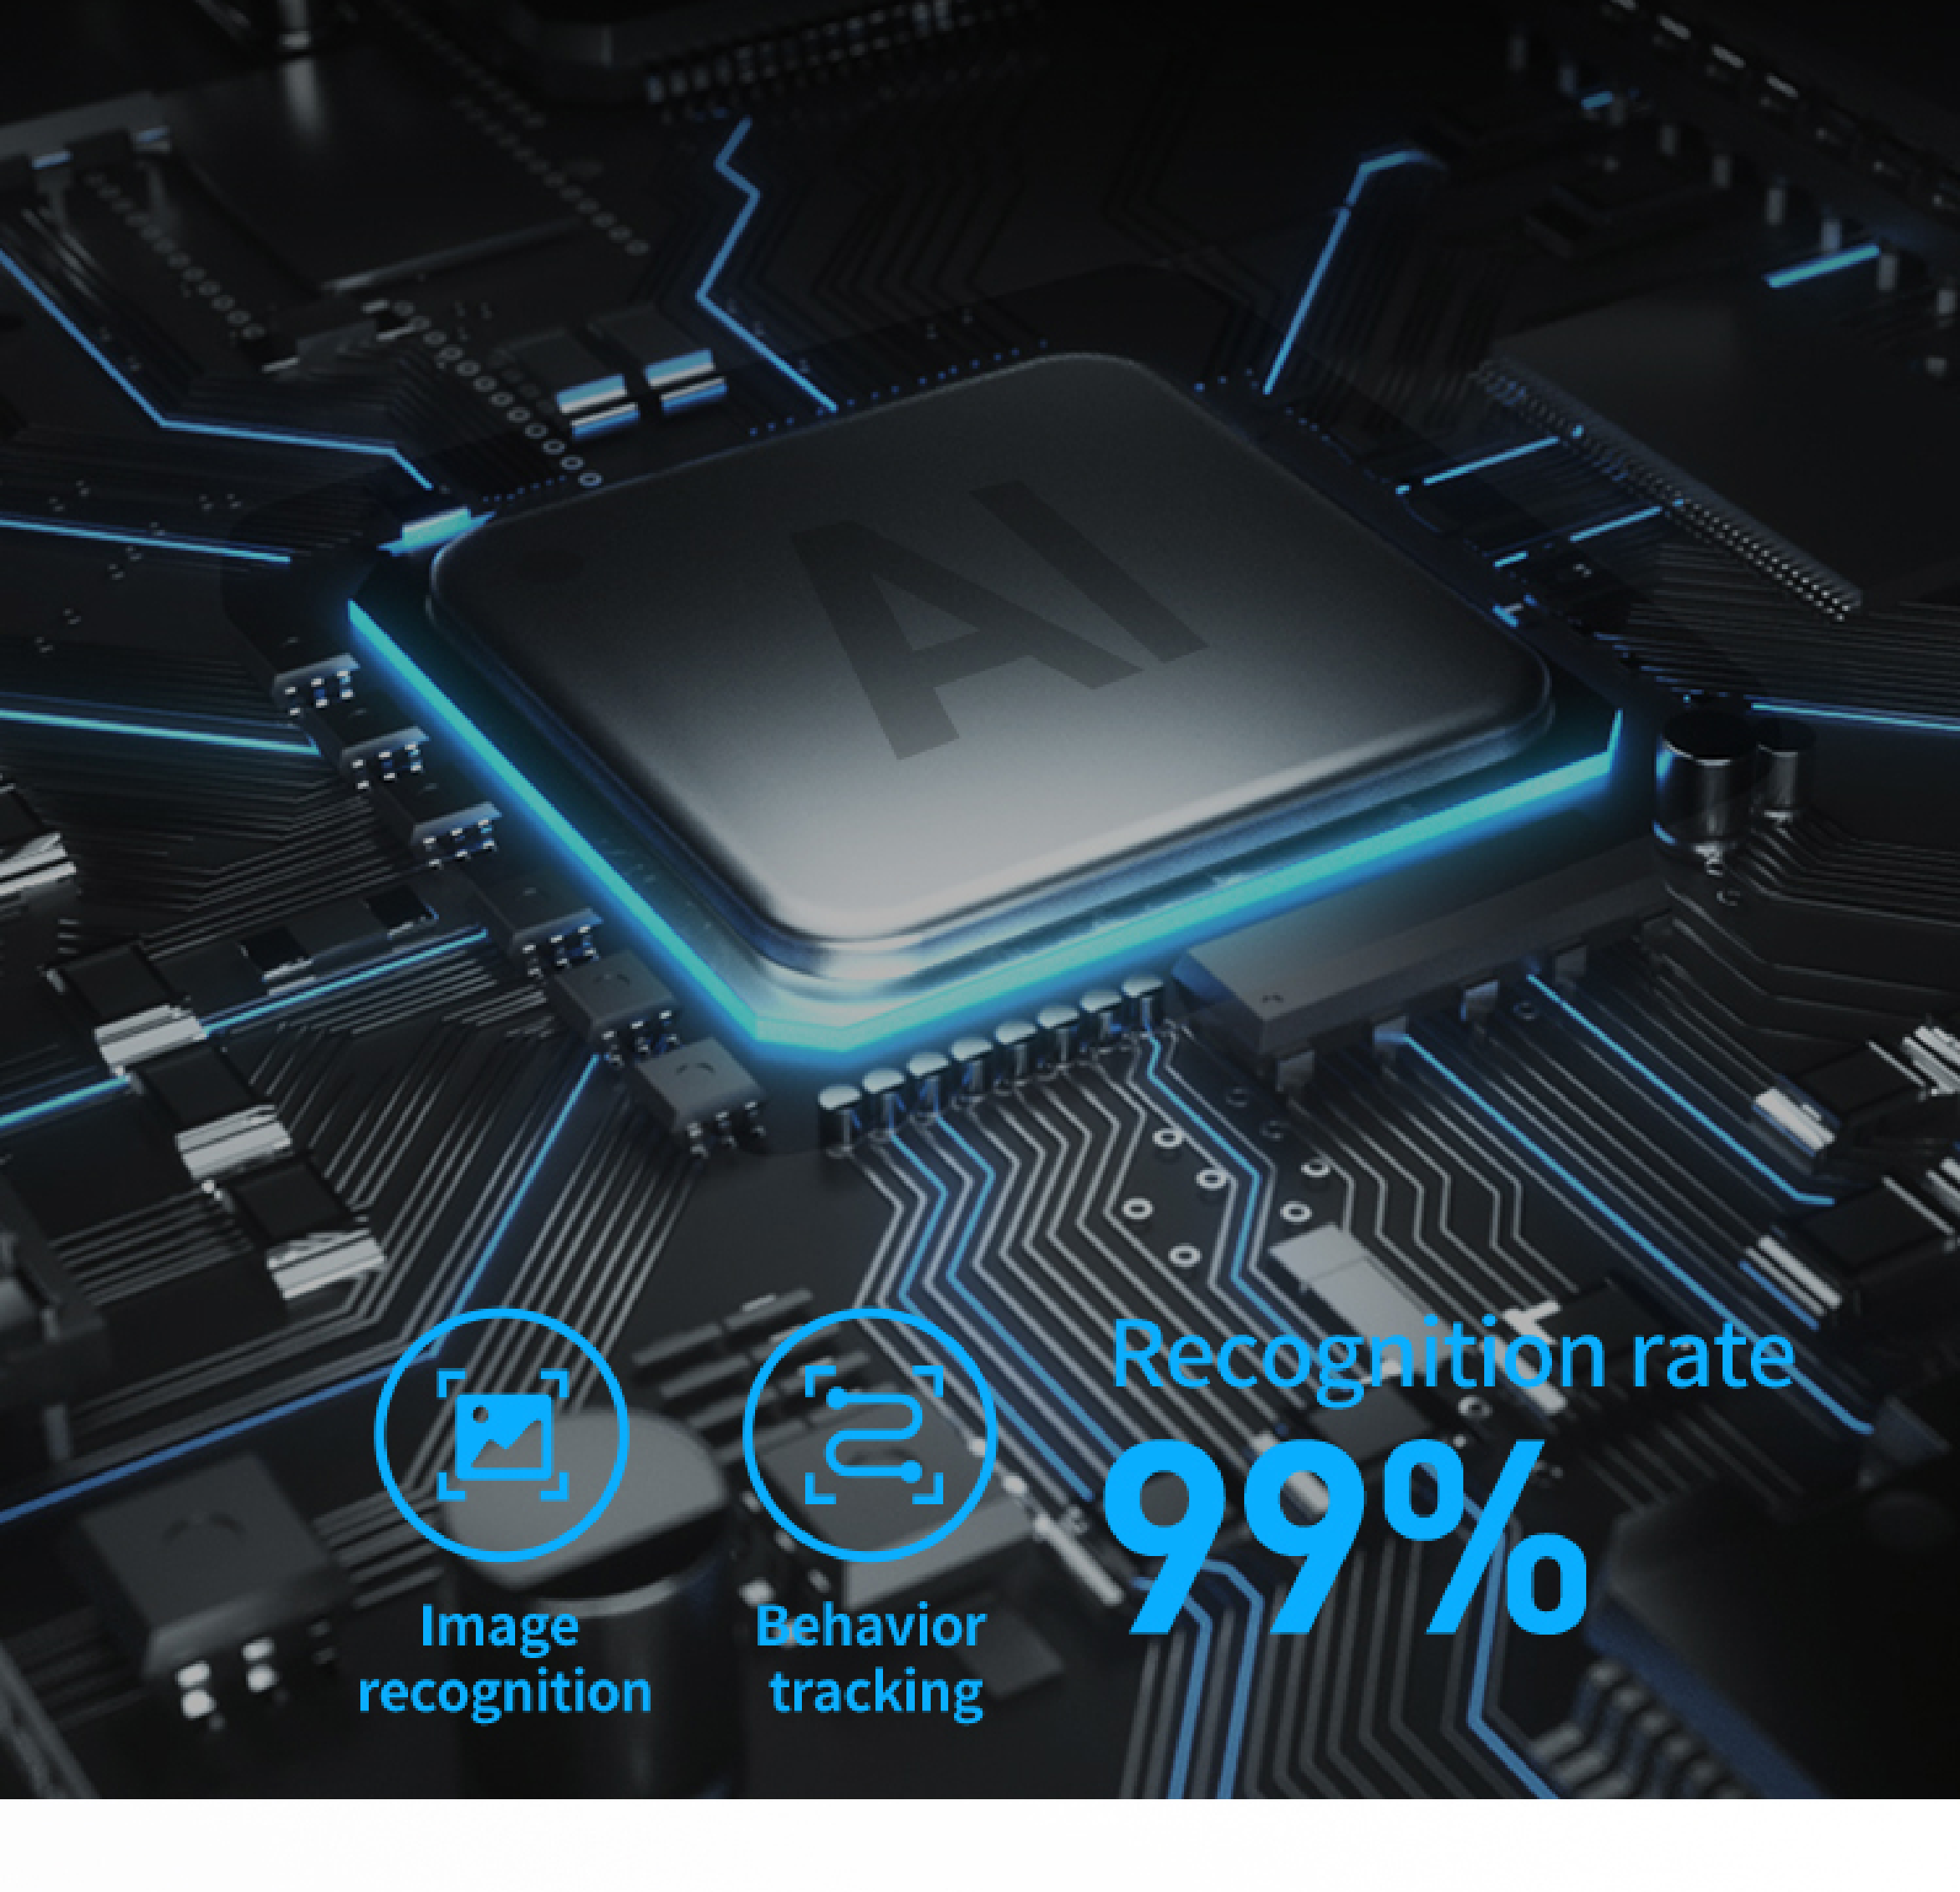


Image recognition
Behavior tracking
Recognition rate
99%

5 grid trays

Adjustable and convenient Flexible to replenish goods

Self-service to reduce failure rate and save operation cost

AI intelligent retail cabinet

Touchless shopping

Just three steps

Wide-angle low illumination 1080p dual camera to monitor the whole process of shopping accurate and convenient

AI intelligent retail cabinet
Open the door
Choose
Closed settlement

Customers don't have to download an APP, they suse face-recognition payment to open the door, take the products and then leave, it's easy and convenient.

AI automatic detection to check and calculate the total amount

Cloud background Intelligent management

Easy to attain real-time query of vending machine sales reports, data statistics, fault warnings, and remote monitoring online. Let you wipe the sales report and operation status of the vending machine in time.
